Dear Dailey Families,

Dailey, along with several other school districts, have been monitoring the conditions of the surrounding COVID-19. To help ensure the safety of all of our students Dailey has made the extremely hard decision to close beginning Monday, March 16th through April 13th, which is when our school is regularly scheduled to return from spring break. We are hopeful that instruction will resume after spring break, but we will continue to evaluate what is best for our kids and community.

We will be sending further communications out to families as plans are finalized. We thank you for your patience as we navigate this extremely difficult time. Please stay safe and healthy, as we are looking forward to having our Dragons back on campus soon!

School is closed from March 16th - April 13th.

Sincerely,

Ms. Pentorali
