DISTANCE LEARNING EXPECTATIONS POLICY

This Policy sets forth the expectations of students and parents/guardians while students are engaging in distance learning at Dailey Elementary Charter School (“DECS”).

“Distance learning” means instruction in which the student and instructor are in different locations. This may include interacting with a student through the use of computer and/or other communications technology for the delivery of instruction, check in or other communications between student, teacher and other employees. Distance learning may include video or audio instruction in which the primary mode of communication between the student and instructor is online interaction, instructional television, video, telecourses, or other instruction that relies on computer or communications technology. It may also include the use of print materials incorporating assignments that are the subject of written or oral feedback.

Distance learning at DECS will occur as follows:

Each week lessons and assignments will be delivered to students through videos posted on Padlet, SeeSaw, and Youtube. Students will be given daily and weekly assignments to be completed through a variety digital platforms. Digital platforms will be selected by students’ teachers. Assignment expectations and requirements will be provided to students. Weekly Zoom meetings and conferences will be held to support students and their learning. Students will be provided instruction in all subject matters that are focused on the State standards and IB standards.

The DECS distance learning program will provide its students with educational opportunities and continuity to the greatest extent practicable during temporary school closure. To achieve this goal, DECS requires students and their parents/guardians to adhere to the following guidelines at all times while students are engaging in distance learning:

STUDENT GRADING AND ENGAGEMENT EXPECTATIONS

Students are expected to follow the distance learning school schedule published for each day to the best of their ability and are expected to complete all assignments by the due date. Student’s third quarter grades will also be utilized for the 4th quarter. Students can move their grades up based on completion of assignments, but no grades will be impacted negatively. Student effort and participation during distance learning will be reflected in the “effort codes” section Student report cards.

STUDENT BEHAVIOR AND PARENT SUPERVISION EXPECTATIONS
