Dear Dailey Families,

The Fresno Innovative Charter School (FICS) Board of Directors currently has a vacancy. The Board of Directors acts as the governing body of the public benefit nonprofit corporation and the school. The Board of Directors are set up as follows; (1) the current Superintendent of Fresno Unified or his designee from the Fresno Unified District Office; and (2) two Representatives from the Fresno Unified School District School Board. These representatives are active Fresno Unified members at the time of their appointment to the Board of Trustees and will be re-appointed by the Fresno Unified School District Board. The four additional Board members are representatives from the community. Two of these representatives have a school – aged child, attending an International Baccalaureate school in Fresno and the other two representatives from the community are to be any individual with a focus in fundraising, finance, education, legal, and marketing.

The Board of Directors is solely responsible for all aspects of budgeting, accounting, payroll, purchasing, and debts or obligations incurred. The Board shall meet in accordance with the Board adopted calendar.

We are currently in need of a community member with a focus in fundraising, finance, education, legal, and or marketing. If you are interested please notify Mrs. Pentorali via email, phone, or in person with a resume and letter of intent by November 22, 2019. All letters and resumes will then be given to the FICS Board of Directors for appointment.

Sincerely,

Jeanne Pentorali  
Executive Director
