

DAILEY ELEMENTARY CHARTER SCHOOL

SAFETY

The FICS Board is responsible for ensuring that proper attention is paid to the safety of students.

The Executive Director or designee shall develop and implement regulations which will ensure as safe an educational environment as possible.

Although the school is not liable for the safety of students who are not under school supervision, the school can, and does, hold students accountable for their behavior from the time they leave their homes for school until they return to their homes from school, in the playgrounds and during recess, and while they are on school premises and/or under supervision of school district personnel. (Education Codes 44807, 44808)

Administrations and teachers are responsible for the conduct and safety of students from the time they come under school supervision until they leave school supervision, whether on school premises or not.

(cf. 5002 - Discipline)

Board members and school employees shall not be held liable for the safety and conduct of student who leave the school grounds as allowed by the Board's Policy. (Education Code 44808.5)

cf. 5010 - Closed Campus)

A minor students shall not be release to leave school in the custody of a person other than the student's parent/guardian unless that person has the verified authorization of the parent(s)/guardian(s). Properly authorized law officers may seize or apprehend according to law.

It is the responsibility of the school administration to provide adequate supervision of playgrounds and other school facilities at all times they are in use by students during the school day or at school-sponsored activities. Special attention should be given to the prevention of accidents and to the development of habits of good citizenship.

The school administrations should take full use of the cooperative services of local and county organizations which provide safety services, such as fire, law enforcement and disaster preparedness agencies.
